This is example text. It is 10 point Times New Roman. This is example text. It is 10 point Times New Roman.

This is example indented text. It is 10 point Times New Roman. This is example indented text. It is 10 point Times New Roman. This is example indented text. It is 10 point Times New Roman. This is example indented text. It is 10 point Times New Roman.

> This is an example of an extract or quotation. Note the indent on both sides. Quotation marks are not necessary if you offset the text in a block like this, and properly identify and cite the quotation in the text.

This Is an Example of a Figure Caption. Use of the figure caption style is required.

The Title of Another Sections

Use of the section heading style is required.

Title of the Conclusion Section

All papers must use author year citations in the text (Engelmore and Morgan 1986). Numbered references may not be used. The references must be formatted using the exact references style shown the Author Formatting Instructions for Authors Using Word. Citations must be placed in alphabetical order. Lines must be justified. References may not be numbered. No indent is allowed. The style sheet will automatically add the proper amount of space between entries; no additional space should be added.
